Telegraph Avenue at 50th Street, Oakland. 652-7401. Established: 1926.

Take a number at this popular old Italian deli and ravioli factory and treat yourself to a food-lover's fantasy. Some 40 types of meat and 50 kinds of cheese fill the long refrigerated counter and 40 assorted shapes of pasta can be found in the wooden bins. Of special note are Genova's own raviolis, tortolinis and pesto. And of course there's mucho vino Italiano.
